

LA 100 Helmet

A helmet adapted to the needs of jet fighter pilots and crew members

MSA
The Safety Company

*Because every life has a **purpose...***

LA 100 **Helmet**

The LA 100 flight helmet is dedicated to pilots and crew members of combat aircrafts equipped with ejection seats and oxygen.

Specifications

- Two sizes of shell and personalisation kit for a perfect fit
- Dual visor lightweight helmet
- Impact and penetration resistance ensured by an aramid / carbon fibre shell and high density expanded polystyrene impact cap
- Retention system is developed for optimal security and fit
- High level of passive **noise reduction**
- **Windblast**: high speed resistance front and 45° yaw
- **UV400 visors** with high optical quality: clear, solar (green or grey with infrared protection) or for low visibility (yellow)
- **Easy maintenance** thanks to a personalisation kit of pads which can be entirely disassembled
- **Center of gravity** ensured natural stability
- Exceptional **head mobility**

For other colours, please contact us.

Head tour sizes

(cm)	Europe (except UK)	Canada/USA	UK	Abbreviations
PM Helmet (Small size)	52	6 1/2	6 3/8	XXS

Helmets for forest fire and rescue missions

Trust & Durability

For nearly 100 years our passionate mission of safety empowers us, "The Safety Company", to protect lives. We are committed to providing the latest in innovative, best-in-class safety solutions that feature integrated systems capability and allow our customers to return "Home" safely to their families and friends.

Every day our customers place their lives in our hands. In return, we provide them with protection they can trust, and their stories become our stories. Hand in hand we partner with our customers to earn that trust.

At MSA, Every Life has a Purpose.
